

School leavers!

**Are you up to date with
your vaccinations?**

In 2015 a new vaccine was introduced to protect young people against four types of Meningitis

Men ACWY

If you have left school this year, and especially if you are about to go to university or college, please check with your GP practice if you have had this vaccine

If you have not had Men ACWY (or have missed any other vaccinations such as MMR) you can get them from your GP practice

For more information,
you can visit www.nhsinform.scot
or contact your GP practice
